For 6 year olds and up.

Time a game lasts : 20 to 30 min

Necessary cards : Addition cards and Sum cards

Aim of the game : To win all the cards in the game

Principle of the game :

After shuffling the deck, you give 20 cards to each player. Then, at the same time, all the players turn a card over. The player with the biggest number wins the other players' cards and puts them under his own stack.

If there is an equality, the players concerned place a card face down on the upturned card and turn a third card over. The biggest number during this new battle wins the other players' cards.
